Cancellation & Substitutions: GCI makes every effort to ensure that all classes are held as scheduled. However, should the total class registrations not meet minimum enrollment requirements, GCI reserves the right to cancel a class and reschedule the participants. GCI will notify all participants via email no less than 21 days prior to the class start date whether a class will be held. In no case will GCI cancel a class less than 21 days prior to the class start date. If a class is cancelled, GCI will notify the student and request the student's permission to move the registration into a future date. If a future date is not acceptable, GCI will refund the tuition in full within 2 business days. In case of class cancellation, GCI's liability is limited to the refund of the tuition fee only.

Students may cancel or reschedule a registration up to 21 days prior to the class start date for a full refund. Cancellations or rescheduling requests will not be accepted if received less than 21 days prior to the class date. Another person may be substituted for a registrant at any time.
